(Date of appointment: April 1, 2016)

Name	New Position	Current Position	Continuing Position
Hiroyuki Morijiri	Director, Western Countries Department, Vision Care Materials Division, Health Care Business Sector	Vision Care Materials Department, Health Care Materials Division, Health Care Business Sector	
Satoshi Ichimura	Director, Asia Pacific Department, Vision Care Materials Division, Health Care Business Sector	Director, Vision Care Materials Department, Health Care Materials Division, Health Care Business Sector	
Susumu Ohyama	Director, Bio Chemicals Department, Personal Care Materials Division, Health Care Business Sector	Fine & Performance Chemicals Division, Basic Chemicals Business Sector	
Kan Ikeda	Director, Medical Materials Department, Personal Care Materials Division, Health Care Business Sector	Director, Medical Materials Department, Health Care Materials Division, Health Care Business Sector	
Kazuhiko Togashi	Director, Home Care Materials Department, Personal Care Materials Division, Health Care Business Sector	Director, Specialty Chemicals Department, Fine & Performance Chemicals Division, Basic Chemicals Business Sector	
Toshio Nitta	Director, Polymer Modifiers Department, Elastomers Division, Mobility Business Sector	Polymer Modifiers Department, Elastomers Division, Functional Polymeric Materials Business Sector	
Masaya Hoshiko	Director, Lubricant Additives Department, Elastomers Division, Mobility Business Sector	Director, Lubricant Additives Department, Elastomers Division, Functional Polymeric Materials Business Sector	
Yoshihisa Matsuo	Director, EPT Department, Elastomers Division, Mobility Business Sector	Director, EPT Department, Elastomers Division, Functional Polymeric Materials Business Sector	
Kosei Nakamura	Director, Milastomer Department, Performance Compound Division, Mobility Business Sector	Director, Milastomer Department, Performance Compound Division, Functional Polymeric Materials Business Sector	
Seiji Ota	Director, Admer Department, Performance Compound Division, Mobility Business Sector	Director, Admer Department, Performance Compound Division, Functional Polymeric Materials Business Sector	
Takeshi Onuma	Director, Engineering Plastics Department, Performance Compound Division, Mobility Business Sector	Director, Engineering Plastics Department, Performance Compound Division, Functional Polymeric Materials Business Sector	

Announcement of personnel changes

(Date of appointment: April 1, 2016)

Name	New Position	Current Position	Continuing Position
Hiroaki Narisawa	Director, Performance Polymers Division, Mobility Business Sector	Director, TPX & Million Department, Performance Polymers Division, Functional Polymeric Materials Business Sector	
Koutarou Oohashi	Director, TPX & Million Department, Performance Polymers Division, Mobility Business Sector	TPX & Million Department, Performance Polymers Division, Functional Polymeric Materials Business Sector	
Fumiya Miyata	Director, Optical & Packaging Materials Department, Performance Polymers Division, Mobility Business Sector	Director, Optical & Packaging Materials Department, Performance Polymers Division, Functional Polymeric Materials Business Sector	
Masahiko Hashigami	Director, PP Compound Department, Compounds Administration Division, Mobility Business Sector Deputy General Manager, Automotive Materials Division, Prime Polymer		Deputy General Manager, Automotive Materials Division, Prime Polymer
Yuichi Ito	Director, Performance Compound Department, Compounds Administration Division, Mobility Business Sector	Performance Compound Division, Functional Polymeric Materials Business Sector	
Hiroyuki Furukawa	President, Mitsui Chemicals Korea	Director, Oversea Business Promotion Department, Planning & Coordination Division, Functional Polymeric Materials Business Sector	
Hyoue Shimizu	Director, Polyurethane Coating Materials Department, Coatings & Engineering Materials Division, Food & Packaging Business Sector	Director, Polyurethane Coating Materials Department, Coatings & Engineering Materials Division, Polyurethane Business Sector	
Shigetoshi Sasano	Director, Adhesives Department, Coatings & Engineering Materials Division, Food & Packaging Business Sector	Director, Adhesives Department, Coatings & Engineering Materials Division, Polyurethane Business Sector	
Atsushi Osada	Director, Polyurethane Elastomers Department, Coatings & Engineering Materials Division, Food & Packaging Business Sector	Director, Polyurethane Elastomers Department, Coatings & Engineering Materials Division, Polyurethane Business Sector	

Announcement of personnel changes

(Date of appointment: April 1, 2016)

Name	New Position	Current Position	Continuing Position
Hiroyuki Okuno	Director, Industrial Materials Department, Coatings & Engineering Materials Division, Food & Packaging Business Sector	Director, Industrial Materials Department, Coatings & Engineering Materials Division, Polyurethane Business Sector
